---

Hi Katie,

Could you provide the PWS ID #s for the systems you listed as having no issues?

Thanks,

Alexander Nunez

The only issues we had were Royalwood lost power outage and has a boil water notice currently and MC MUD 119 had an outage and the boil water notice was sent out, everything is fixed now and results from lab came back good, the boil water notice has been lifted.

There were no issues with the following Water Plants:

Clovercreek,  
Douglas(Fountainview)  
EMCMUD 3

EMCMUD 4  
Greens Pkwy  
Champions  
HD ID 18  
MC MUD 23  
HC MUD 49  
HC MUD 449  
HC MUD 82  
MC MUD 119  
MC MUD 139  
Meadowhill Regional MUD  
Waller County Road Improvement District  
Willow Creek Farms  
Ultra/TMK

Hi Katie,

Omar passed your information on to me regarding the operational status of your water systems. Please reply with a list of your water systems (PWS-IDs are sufficient) so we know which ones to NOT call.

Leticia Deleon of TCEQ can send you a spreadsheet to fill out for all your systems which you can then send back to her.

We appreciate your assistance

Thanks,

**Mark McCasland**
